- 2.) Un título con un borde redondo, ranurado (groove), rojo de 8px y margen automático.
- 3.) Un párrafo con un borde puntado, negro de 5px, margen a la izquierda heredado y margen de arriba de 8px.
- 4.) Usa abreviaturas.

A nighttime photograph of a city skyline. In the foreground, a large, curved skyscraper with a grid-like facade is illuminated with blue and white lights. Behind it, another tall building with a similar grid pattern is visible. To the right, a street with traffic lights and other buildings is shown. The sky is dark, and the city lights create a vibrant scene.
