      <td>Dan</td>
      <td>Teacher</td>
    </tr>
    <tr>
      <td>Elizabeth</td>
      <td>Programmer</td>
    </tr>
  </tbody>
</table>
```

CSS

```
th {
  background-color: rgb(158, 16, 16);
  color: white;
}
```

Name	Profession
Dan	Teacher
Elizabeth	Programmer

Hazlo tú mismo 10

Crea una página con:

- 1.) Una tabla con 4 filas y 3 columnas.
- 2.) Las filas impares serán azules.
- 3.) Extra: Solamente la tabla debe tener borde.

A nighttime photograph of a city skyline. In the foreground, a large, curved skyscraper with a grid-like facade is illuminated with blue and white lights. Behind it, another tall building with a similar grid pattern is visible. To the right, a street with traffic lights and other buildings is shown. The sky is dark, and the city lights create a vibrant scene.
