## Ejercicio de inicio CSS Parte C

Continuando con el ejercicio previo:

Divide la página en dos partes

- a.) Parte izquierda - 75% - clase - left-column
- b.) Parte derecha - 25% - clase - right-column con un fondo de color #f1f1f1, padding-left: 20px.

A nighttime photograph of a city skyline. In the foreground, a large, curved skyscraper with a grid-like facade is illuminated with blue and white lights. To its right, another tall building with a similar grid facade is visible. In the background, other skyscrapers are lit up, including one with a 'SQUARE' sign and another with a 'WANG' sign. The sky is dark, and the city lights create a vibrant, urban atmosphere.
