## Hazlo tu mismo 6

Crea una página con:

- Un título azul subrayado, en mayúsculas y sombra naranja. Alinea el texto al centro. El espacio entre cada letra debe de ser de 3px.
- Un párrafo negro con espacio de -3px entre las palabras. La sangría debe ser de 75px.

A nighttime photograph of a city skyline. In the foreground, a large, curved skyscraper with a grid-like facade is illuminated with blue and white lights. To its right, another tall building with a similar grid pattern is visible. In the background, other skyscrapers are lit up, including one with a 'SQUARE' sign. The street in the foreground is dark, with some streetlights and a blue sign visible on the right. The overall scene is a vibrant urban night scene.
